

CODA

# THE ALL-NEW ALL-ELECTRIC CODA

PRODUCT INTRODUCTION

# WE ARE CODA

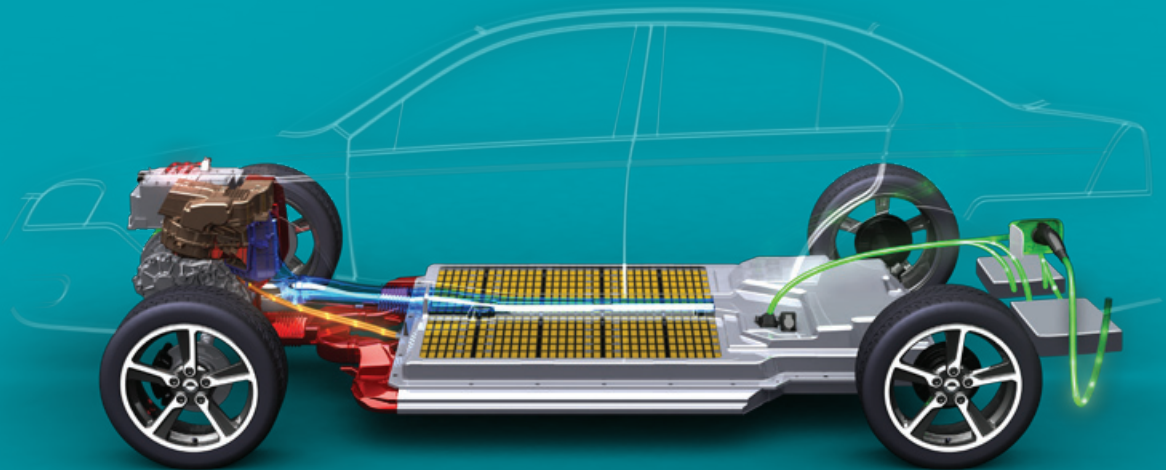

A California company that designs, manufactures and sells electric vehicles and lithium-ion battery systems purpose-built for transportation and utility applications.

## OUR TEAM

Is a group of technology-minded innovators with over a millennium of automotive experience dedicated to accelerating the adoption of electric vehicles.

## OUR VISION

Is to become the key technology provider to reduce global dependence on fossil fuels and the harmful social, economic and environmental consequences that follow.

CODA's advanced EV propulsion system

# CLASSIC PROFILE WITH MODERN STYLING

Styling your CODA is easy. Simply choose from our six unique paint colors, an interior with high-grade leather or comfortable eco-friendly fabric and select 17" alloy wheels.

The four door, five passenger, all electric CODA delivers the utility of a modern sedan. With the largest enclosed trunk in its class and the flexibility of 60/40 fold down rear seats, you can easily fit golf bags, strollers, groceries and more.

Every CODA comes equipped with an Alpine® all-in-one audio, video and navigation system. CODA's quiet ride allows you to fully experience Alpine's quality sound. Enjoy hands-free calling with Bluetooth®, MP3, iPod®, iPhone®, USB connectivity as well as our simple to use touchscreen.

## SEIZE THE LANE AND SAVE

CODA qualifies for the California Clean Air sticker allowing you to drive solo in the carpool lane. Other benefits include free parking in some cities.

Save money with a federal tax credit of up to \$7,500 as well as a growing number of state government and business incentives for electric vehicles.<sup>1</sup>

# CODA TAKES YOU FARTHER

We built the longest range, self-regulating all-electric battery in its class with fast and easy recharging.

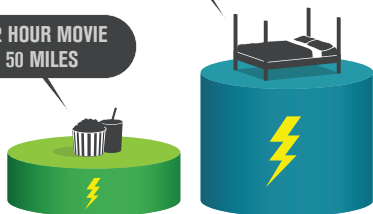

## CAUSE RANGE ENVY

A fully charged CODA goes up to 125 miles,<sup>1</sup> almost 4 times the average daily commute.<sup>2</sup> You can depend on the range because our unique active thermal management system optimizes the battery's performance regardless of how and where you drive.

**FULL CHARGE**  
~6 HOURS OF SLEEP: 125 MILES

~2 HOUR MOVIE  
50 MILES

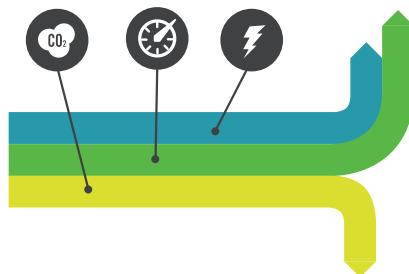

## CHARGE UP AND HEAD OUT

We have two times the charging capacity of our leading competitor. About two hours on a Level 2 (240 V) plug gives you around 50 miles to zip through your day.<sup>3</sup> You can also plug your CODA into a standard outlet giving you the freedom to charge anywhere you want.

## MAKE NO COMPROMISE

Enjoy more energy, regenerative braking and best-in-class horsepower and torque<sup>4</sup>, all while making a positive change in the world.

<sup>1</sup>Actual range and vehicle performance will vary depending on personal driving and charging style, speed, conditions, weather and cargo load.

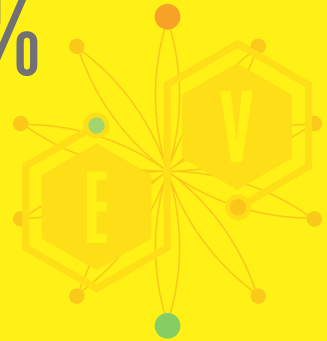

<sup>2</sup>Source: "Transportation Energy Data Book: Edition 28-2009"

<sup>3</sup>Level 2 EVSE purchase separately.

<sup>4</sup>Best horsepower and torque in all-electric compact sedan class.

See [codaautomotive.com/legal](http://codaautomotive.com/legal) for more information on the listed data above.

# A CAR THAT GIVES 100% ALL STANDARD

## GENERAL

All electric, 4 door, 5 passenger sedan with full trunk

Zero tailpipe emissions

Up to 125 miles on a single charge<sup>1</sup>

Top speed 85 mph electronically limited

Independent cabin climate control

## BATTERY AND CHARGING

333 V, 31 kWh Lithium Iron Phosphate (LiFePO<sub>4</sub>) battery system

Independent air-cooled active thermal management system

Recharge time about 6 hours from a Level 2 (240 V, 30 A) charger

6.6 kW/240 VAC input on-board charger or 1.3 kW/110 VAC input

## TECHNICAL

DC:DC converter producing 2.2 kW @13 V

100 kW/134 hp electric motor with 300 nm/221 lb-ft of torque

Single speed gear reduction transmission

## TECHNOLOGY

Alpine® all-in-one audio, video and navigation system

iPhone®, iPod®, USB, MP3 player connectivity

Bluetooth® hands free mobile phone capability with touch screen and voice dial

GreenScreen system that monitors driving efficiency and energy consumption

## SAFETY

Anti-Lock Braking System

Electronic Stability Control with Traction Control

6 Airbags

LATCH for child restraints

Tire Pressure Monitoring System

## LIMITED WARRANTY

New vehicle 3 year/36,000 mile

Powertrain 5 year/60,000 mile

Battery 10 year/100,000 mile
